ASSA ABLOY

The Future of Ventilation

FRONT ELEVATION

Austral Monsoon AME 100 Flange Fit Louvre is a single stage fixed louvre system featuring an integrated **perimeter flange** for quick face-mount installation and a refined architectural finish. Designed to deliver **high airflow and strong weather protection**, it conceals wall edges for a clean and professional external appearance.

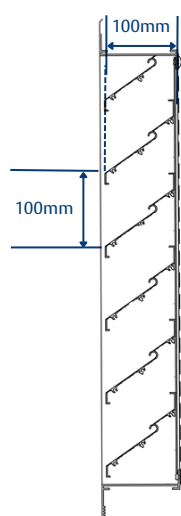

Characteristics

- Single Stage fixed aluminium louvre system
- Frame Depth: 100mm
- Blade Pitch: 100mm
- Double rain-trap design for weather resistance
- Free Open Area: 50%
- Internal mesh options: Mesh material options:
 - Bird Mesh
 - Insect Mesh
 - Vermin Mesh
 - Security Screens
 - Fibreglass
 - Galvanised Steel
 - Stainless Steel
- Available in integrated louvred doors
- Also available in Framed / Continuous type

Applications

- Ideal for commercial and industrial projects requiring high airflow and weather resistance, including:
 - Car parks
 - Plant rooms
 - Cooling tower screens

SECTIONAL
ELEVATION
